Subject: Hot Issues Highlights

Jeff Philip 9:57 AM:

Anyone have additional Hot Issues this week for Joyce and Ann?

Knudsen, Laura 9:58 AM:

I don't - thank you!

Kay Morrison 9:58 AM:

nothing from me.

Charles Bert 9:58 AM:

Nope

Sherbina, Debra 9:58 AM:

I don't. thanks.

Hanft, Sally 9:58 AM:

Do you want to include Joyce's speaking engagement for next week? Do you include those in this report?

Mark Macintyre 9:59 AM:

does "What's Upstream" count? It'd kind of ongoing.

Congdon, Julie 9:59 AM:

bubkis from me

Charles Bert 10:00 AM:

does general malaise count?

Jeff Philip 10:00 AM:

Oh, good one, Sally

Hanft, Sally 10:00 AM:

Do you have enough info or do you need me to write something up?

Jeff Philip 10:00 AM:

(highfive) Thank you General Malaise, Sir.

Mark Macintyre 10:00 AM:

Charles: I think that's "old news"!

Stewart, Gretchen 10:01 AM:

Nothing here on my docket

Jeff Philip 10:01 AM:

I have enough to add.

Schuster, Cindy 10:01 AM:

The only thing is that I was vague in my hot item about notifying congressional offices of upcoming health advisories. We are doing 2 emails to them, one went this morning, and a more detailed message will go later today.

Jeff Philip 10:01 AM:

I will send it to all of you when finished

Sherbina, Debra 10:02 AM:

Thanks, Jeff.

Mark Macintyre 10:02 AM:

Maybe the local PFOS PFOA announcement impacts but that's in Suzanne's portfolio

Jeff Philip 10:03 AM:

Yes, will add the PFOA announcement on the congressional and press fronts

Congdon, Julie 10:03 AM:

Suzanne - is anything brewing with the Monroe schools PCB thing? Michelle Mullin contacted me about it, re: the possible need for CI help...

Stewart, Gretchen 10:03 AM:

Nothing has hit my mailbox for the last week on Monroe.

Skadowski, Suzanne 10:04 AM:

Julie - I'm having a call with Michelle and the team today to discuss. I'm not aware that she's seeking CI help.

Congdon, Julie 10:05 AM:

I think it was simply scoping out the possibility if, say, a fact sheet from us was needed
